EDUCATION

2019-2024

WOLLO UNIVERSITY

- Bachelor of Software engineering
- GPA: 3.62/ 4.0

SKILLS

- Full-stack web development
- Tailwind css
- React.js
- Node.js
- Express.js
- MongoDB
- Next.js
- python

LANGUAGES

- Amharic
- English

ABOUT ME

I'm results-oriented Software Engineer specializing in MERN stack technologies Next.js and Python. With a solid academic background (CGPA 3.62), I possess a strong grasp of full-stack development principles. Proven ability to build scalable and efficient web applications. Proven ability to design, develop, and deploy robust web applications. Eager to contribute innovative solutions to challenging problems.

WORK EXPERIENCE

- **wollo university ICT complex** 3 MONTHS
Internship
 - Developed a dynamic web application to showcase university sports news, events, and player profiles.
 - Utilized MERN stack technologies (MongoDB, Express.js, React.js, Node.js) for efficient frontend and backend development.
 - Implemented responsive design principles to ensure optimal user experience across various devices.
